

Information to Parents

I am writing to confirm the Christmas arrangements for our school community and the important role we still have in assisting with the contact tracing, to help in the national effort to limit the spread of the virus.

As you are aware the school finishes on Friday 18th December for our two week Christmas holiday and we will be asking parents and carers to notify us if their child develops COVID-19 symptoms within 48 hours of being in school and subsequently receives a positive COVID-19 result.

We have detailed below the guidance given to us by the DfE and ask all our families to kindly follow the instructions to keep our school community and families safe over the festive period.

My child has developed symptoms within 48 hours of being in school and received a positive COVID case

Symptom Dates

Sat 19th & Sun 20th
December

Email the school to notify us of your child's positive result.
The mailbox will be checked between 10:00am and 12:00 daily up to and including Thursday 24th December.
