

By Order of Her Majesty the Queen and Buckingham Palace

All children at Angram Bank Primary School are formally invited to celebrate Her Majesty's Platinum Jubilee.

Throughout Tuesday 24th May, we will be taking part in a Dance Around the Ages Workshop in partnership with Primary Workshops in Schools.

Each year group will be allocated a style of dance, ranging from the 1920's Charleston to Modern Day Street Dance. We will end the day in a glorious presentation of the dances for all children to see. To also mark this occasion the lunch menu will change on this day to a special fish and chips lunch followed by chocolate cake.

A Good time is to be had by all to celebrate this once in a lifetime event.

Yours

HRH, Queen Elizabeth II
