Where learning, fun and friendship meet

10 September 2020

Dear Parents

We have now been back at school for almost two weeks and it has been lovely to welcome all our children back to their new classes. We have missed them all!

We are all learning to live with many different rules and systems which are there to keep everyone as safe as possible.

Can I please ask for your support around our staggered starts and finishes to the school day. As you know we are following Government guidance in ensuring all our children do not arrive or leave at the same time.

Please arrive exactly at the time we have requested. If you arrive too early or too late you are putting all children and the wider school community at risk by overlapping with parents and children in other year groups.

We are using the earlier starts to the day to give your child "catch up and keep up time" which is teaching specifically aimed at closing any gaps in your child's learning and understanding. If your child arrives after their start time they will miss this really important part of learning.

Here is a reminder of your child's start and finish times. We have tried to minimise as much inconvenience as possible but these are difficult times for everyone as we try to keep our families safe and ensure all our children are given plenty of opportunity to catch up and keep up in their learning.

Thank you for your support and ensuring your child arrives at exactly the right time. This will help us keep the Angram Bank Bus a safe journey.

Year Group	Start	Finish
FS1 am	8.30	11.30
FS1 pm	12.30	3.30
FS2	8.40	3.10
Y1	8.45	3.10
Y2	8.45	3.10

Year Group	Start	Finish
Y3	8.50	3.15
Y4	8.50	3.15
Y5	8.40	3.20
Y6	8.30	3.30

Yours sincerely

A Carr
Headteacher
