At the start of the day children arrive at the Resource accompanied by their minibus escort.

The Resource staff then:

- Register each child for their lunch choice
- Check the home-school link up books for any messages
- Take in any trip letters and payments
- Check your child's cochlear implant/hearing aids

The children have a daily individual timetable which includes support from Specialist Teaching assistants and integrated resource sessions with a Teacher of the Deaf. They also benefit from independent mainstream class time.

At the end of the day the children return to the resource where :

- They collect their home school book
- Hand in their radio aids for recharging
- Are escorted to their minibus by a member of staff

We have visits from Morna Finlayson, our Educational Audiologist and Jac Fox, who is an Audiologist from Sheffield Children's Hearing Services. They troubleshoot any hearing aid problems and take impressions for new ear moulds. Morna is also responsible for radio aid set-ups.
