Dear Parents and Carers,

I am absolutely delighted to be writing to you as the new Headteacher of Angram Bank Primary School.

It is a real privilege to be joining such a welcoming school community and I am incredibly excited to begin working alongside our children, families, staff and governors. From everything I have seen and heard already, it is clear that Angram Bank is a school with a great deal to be proud of and I look forward to building on its many strengths together.

Education has always been my passion. Throughout my career I have worked in primary schools where strong relationships, high expectations and a genuine love of learning are at the heart of everything we do. I believe every child deserves to feel happy, safe and valued, and to leave school with the confidence, knowledge and skills they need for the future.

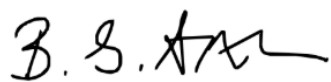

As a parent of two young children myself, I understand how important it is to know your child is happy and well cared for. I also understand the trust that families place in school every day, and I want to reassure you that your children's wellbeing, happiness and success will always be at the centre of every decision we make.

My vision for Angram Bank is simple: I want every child to feel that they belong, are encouraged to be ambitious and are given every opportunity to thrive. High-quality teaching, exciting learning experiences and strong relationships will be at the heart of this, but just as importantly, I want our school to continue to be a place where children enjoy coming each day. The school's motto, "Where Learning, Fun and Friendship Meet," perfectly captures the kind of environment we want every child to experience. I am excited to work with the whole school community to build on this and ensure every child achieves their very best, both academically and personally.

Over the coming weeks, I look forward to meeting many of you-whether at the school gate, at school events or during other opportunities to visit school. You will regularly see me, along with our Senior Leadership Team, Mrs Bell and Miss Heath, on the school gates each morning and afternoon. Please do come and introduce yourself; I always enjoy getting to know families and hearing what makes Angram Bank such a special place. Listening to the views of our children, parents, carers and staff is incredibly important to me, and I believe that by working together we can achieve the very best for every child.

I feel incredibly proud to be joining the Angram Bank family and cannot wait to begin this exciting new chapter together.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'B. S. Arthur', with a stylized flourish at the end.
