

Dear Parents and Carers

Sheffield City Council have informed us that the cost of a school meal will increase to £3.15 and Nursery to £2.85 from 1st September 2026.

The Universal Free School Meal Scheme currently allows every child in FS, Y1 and Y2 to have a free school dinner every day.

If you receive any form of Universal Credits, we would politely request that you apply for free school meals under the separate, benefits related scheme regardless of your child's year group.

The benefits related scheme may bring further free options (e.g. school milk).

To apply for benefits related free school meals, please use the link below or contact the school office who will be able to give you further support.
