

**Chapelgreen Community Hub need your
HELP to reach the LONELY PEOPLE in
our
CHAPELGREEN COMMUNITY**

Throughout the pandemic lots of people in our community have become very isolated and we would like to help them to feel more part of the community again, and we need your help.

All you need to do is post a **letter**, a **post card** or **picture** in our post-box which is in the **Co-op on Bevan Way from Thursday 8th July**, along with your contact details so that the person can write back to you. We will be the 'go between' and all correspondents will be vetted and nothing will be sent to you without us checking it first. We will hold your address and it will not be passed on.

Alternatively you can just post one of the lovely pictures from your children, or tell a joke, talk about funny family stories and remain anonymous.

This is all about making a connection, and anything that you post will make someone's day, or even their week—this may be the first human contact they have had for some time.

Thank you.
