## **Statement of Intent**

***The aims and objectives of Angram Bank Primary School in formulating this statement are:-***

- To reduce and eradicate wherever possible instances in which pupils are subjected to bullying in any form.
- To establish appropriate means of providing after care should an incident of bullying occur.
- To ensure that all pupils, staff, parents and governors are aware of this policy and fulfil their obligations to it.
- To meet any legal obligations which rest with the Sheffield Education Service.

## **Introduction**

Bullying affects everyone, not just the bullies and the victims. It also affects those other children who watch, and less aggressive children can be drawn in by group pressure. Bullying is not an inevitable part of school life or a necessary part of growing up, and it rarely sorts itself out. The damage inflicted by bullying can frequently be underestimated. It can cause considerable distress to children, to the extent that it affects their health and development, or, at the extreme, causes them significant harm (including self-harm).

It is clear that certain jokes, insults, intimidating/threatening behaviour, written abuse and violence are to be found in our society. No child should have to accept this type of behaviour. Only when all issues of bullying are addressed, will a child best be able to benefit from the opportunities available at Angram Bank. This policy refers to all pupils and staff irrespective of gender, race, religion, disability.

## **Philosophy**

***The values and beliefs underlying this policy are as follows:-***

- All bullying is unacceptable, regardless of how it is delivered or what excuses are given to justify it.
- Angram Bank Primary School recognises the detrimental effect on children and young people who may be subjected to bullying and will work actively to minimise the risks.
- Victims of bullying should be treated in a supportive manner, rather than being regarded as a burden to staff and peer groups.
- The harmful effect on educational performance which can be caused by bullying is recognised and Angram Bank Primary School is committed to combating all bullying behaviour in partnership with the relevant agencies.
- Angram Bank Primary School recognises that bullies are pupils who need help and appropriate strategies will be provided to promote acceptable behaviour at all times.

### **What causes Bullying?**

***People bully for different reasons, the reasons could be:***

- to feel powerful
- jealousy
- to feel good about themselves
- to be in control
- because they want something (attention, possession or friends)
- to look good in front of other people
- to feel popular
- because of peer pressure
- to be big/clever
- for fun
- because they are being bullied themselves
- because they see and pick on an easy target (small, won't tell anyone, lonely or different in some way)

### **Why is it important to respond to bullying?**

***Bullying Hurts!***

- Everybody has the right to be treated with respect.
- Everybody has the right to feel happy and safe.
- No-one deserves to be a victim of bullying.
- Bullies need to learn different ways of behaving.
- Our school will respond promptly and effectively to reported incidents of bullying.

### **Actions**

***Actions to combat bullying by Angram Bank Primary School***

## **Evaluation Procedures**

***Angram Bank Primary School will carefully monitor and evaluate the effectiveness of the policy by recording the number of incidents of bullying.***

## **Personal Development**

This threads seamlessly through everyday life at Angram Bank Primary School and is taught explicitly through RHSE. Angram Bank Primary School will through the teaching of Personal Development:-

- Promote British and School values
- Actively promote positive learning behaviour
- Develop good relationships and respect the differences between people.
- Develop children's cultural capital so that they can play an active role in society.
- Develop the social and emotional wellbeing of every child.
- Help develop confidence, self-esteem and responsibility and make the most of their abilities.

## **The Role of Children and Young People**

An Anti-Bullying Policy can be effectively introduced and enforced in a supportive school climate where children, staff and young people have an understanding of bullying and expectations. In this regard the children, staff and young people are expected to be responsible for their personal conduct and behaviour and supporting others by reporting concerns (not keeping secrets) and promoting anti-bullying messages and positive Citizenship.

- Report all incidents of bullying using the procedures in place in the individual establishment.
- Act in a respectful and supportive manner to their peers, reporting any suspected incidents which the victim may be afraid to report him/herself.
- Adhere to and promote the aims and objectives of the anti-bullying policy.
- Refrain at all times from any behaviour which would constitute bullying, or could be construed a bullying behaviour.

## **The Role of Parents/Carers**

Parents/Carers play a vital role in the education and care of their children. They can assist in combating bullying in a number of ways by not accepting such behaviour and by influencing children of the importance of appropriate behaviour towards others and the importance of reporting to an adult when they think someone else is being bullied.

- Stress to their children the importance of appropriate sociable behaviour and not acting in any way that would make the situation worse or could be seen as bullying or threatening against another child.
- Reporting any misgivings they have concerning either victims or perpetrators of bullying sharing concerns as soon as possible, not promising a child that they will not tell anyone.
- Actively endorsing and supporting the Anti-Bullying Policy, by acting responsibly and calmly.
- In the event that sanctions are necessary make clear their disapproval of this behaviour.
- By not automatically dismissing the suggestion that their own child could be involved in bullying another child and work positively with school to change the behaviour.
