Improving SEND Support

We are improving information and support for children and young people (0 to 25) with a special educational need or disability to make services easier to find and use.

Education, Health and Care (EHC) Plans

If your child or young person from 0 to 25 has a special educational need or disability (**SEND**) they may be eligible for an Education, Health and Care (**EHC**) Plan.

If your child already has a Special Educational Needs (**SEN**) Statement or Learning Disability Assessment (**LDA**) this will be replaced by an Education, Health and Care (**EHC**) Plan. This change will happen gradually and we'll keep you informed of any changes and when they'll happen.

EHC plans will be produced together with your family and those working with you. It will outline what is important to your family and what you think will help support your child or young person.

Find out more about EHC plans at www.sheffield.gov.uk/localoffer
